NOTICES FROM THE PRESS.

"The remarkable success which it had as serial in the Continental Monthly shows that 'Among the Pines' is the work for a critical time, and contains elements of great value. It is natural, national, and vigorous, a rare and excellent book, written by one who to the most searching common sense adds a keen eye for the locally remarkable, for the humorous, and the pathetic."—[Knickerbocker Magazine.]

"Written by a Conservative, an Old-Line Whig, and a voter for Douglass, the book shows no trace of the bitterness which too often colors the accounts of more radical men. Personally its representations are rather favorable to the slaveholder, and, therefore, the facts narrated, show the system in even darker colors."—[New-England for July, 1862.]

"We may sum up all in one emphatic assertion, to wit: That since 'Uncle Tom' thrilled the public of America and Europe with its like-life portraiture and impressive dramatic scenes, such as no artist in modern play or 'Old Mortality' had written, no work on Slavery, no work on Southern social life, has been given to the public which can at all be compared to Mr. Kirke's 'Among the Pines.'"—[Gazette, Pittsburgh, No. 121 Nassau-st., New-York.]
